# Philip Auster & Bumppo

Besides being longtime friends, Philip Auster and Bumppo are bonded by a deep passion for electronic music, which started already at an early age. After several collaborations, they first release together in 2019.

The aim of continuously fine-tuning their musical identity has pushed the Italian duo to always search for new stimuli and texture for their pieces, which stand out for their melodies, insistent rhythms and refined sounds.

Since 2022, they've been resident DJs at the Party View and Eterea, which hosted guests like Glowal, Auggië, Dustin Phil, Francesco Chiocci, etc. To this day Philip Auster and Bumppo boast releases with world-renowned labels like Frau Blau Music, Metrica, Applied Magic, Upon You, MoBlack and many more.
